DALLAS, August 17, 2021 - Experience the rich history, magnificent scenery and the incredible significance of the Holy Land like never before as Dr. Tony Evans with his two daughters, Chrystal Evans Hurst and Priscilla Shirer, retrace the steps that changed the world in the new film “Journey with Jesus,” a special [Fathom Event](#) release coming to select theatres Nov. 15-17 only.

“Standing at the Sea of Galilee reminded me of the beauty and the grandeur of the fact that the Word became flesh,” said Shirer. “Journey with Jesus’ will have a powerful impact because the story of Jesus will come alive with fresh relevance and meaning, enriching hearts and renewing faith.”

Bringing the Bible to life on screen, “Journey with Jesus” was filmed on location in Israel and shares a captivating walking tour of the historical places of Jesus’ ministry, detailing the moments that defined His life from birth to resurrection. Evans, Hurst and Shirer lead the tour with personal insights while giving powerful lessons and biblical context for each location.

“Sharing with people on screen the real places of Jesus where eternity-changing events occurred is a monumental opportunity,” said Dr. Evans. “I hope the power of Christ will be communicated and people will learn to praise Him in the midst of their problems, praise Him amid challenges, praise Him for His Glory and then serve the Lord with gladness.”
